- Tutored students for courses e.g basic micro/macro economics, basic statistics, mathematics.
- Invigilated exam, checked assignments, solved communication gap between instructor and students.
- Worked with (MS Office) to keep performance record of students.
- Consulted students who were struggling to improve their performance.

## Projects

---

### Mukti: Giving People Financial Freedom

Worked on a Development Project Proposal (DPP) focused on suggesting policies to reduce rural indebtedness in Bangladesh. This project was done under the guidance of Dr.A.K. Enamul Haque for the course (ECO484: Project Evaluation and Analysis). As part of the work, our team visited the Jaforganj riverside to understand local credit practices and the financial challenges rural households face.

### Mental Health Difficulties and Impact on Education and Employment in Bangladesh

Worked with the HIES 2022 dataset to examine how mental health issues affect education and employment outcomes. This was a coursework project for (ECO487: Applied Econometrics) under Dr. Mohammad Yunus, completed in a team of two. We also visited BIDS for a training session, and the study showed that mental health is both a health concern and a labor market issue.

## *Presentation*

---

### **National Budget Discussion(2023-2024)**

*East West University Economics Club organized a on campus student discussion on National Budget of Bangladesh (FY23-24). I had the opportunity to present the differences between actual and planned budget from a group of two.*

## *Extracurricular activities*

---

### **East West University Business Club(EWUBC)**

*June 2022-December 2023*

*General Member*

- Volunteered in writing and research wing to organize (Basic PowerPoint 2022).
- Assisted creative head to initiate the promotion of (IDEA:The Competition Courses).
- Written script of one single OVC for the recruitment of EWUBC.

## *Accomplishment*

---
