EDUCATION

Master of Science (MS) in Economics (2020-2022)

North South University, Dhaka, Bangladesh

CGPA: 3.84/4.00 (Awarded Prestigious *Summa Cum Laude* Distinction and Top of the Class)

Bachelor of Science (BS) in Economics (2013-2017)

North South University, Dhaka, Bangladesh

CGPA: 3.73/4.00 (Awarded Prestigious *Magna Cum Laude* Distinction and Top of the Class)

EMPLOYMENT

1. Research Economist (August 2026-Present): Working as a Research Economist at South Asian Network on Economic Modeling (SANEM), Dhaka, Bangladesh.

Project Involvement and Activities

1. Just Transition Policy Development for Bangladesh for the Government of Bangladesh and International Labour Organization (ILO)
2. Just Transition and Economic Security for Youth funded by ActionAid Bangladesh
3. Project team management
4. Provide intellectual leadership

2. Senior Research Associate (April 2026-July 2026): Worked as a Senior Research Associate at South Asian Network on Economic Modeling (SANEM), Dhaka, Bangladesh.

Project Involvement and Activities

1. Just Transition Policy Development for Bangladesh for the Government of Bangladesh and International Labour Orgnaization (ILO)
2. Just Transition and Economic Security for Youth funded by ActionAid Bangladesh
3. Project team management
4. Designing and facilitating large scale household surveys
5. Preparing project reports and working papers for the stakeholder

3. Research Associate (2023-2026): Worked as a Research Associate in the projects titled: "Impact of Solar Energy on the Sundarban Fisherfolk of Bangladesh", and "Enhancing ICT Access for Rural Development in Bangladesh: Significance, Challenges and Way Forward," funded by North South University, Bangladesh.

Major Activities

6. Project team management
7. Designing and facilitating large scale household surveys
8. Designing and conducting econometric analysis
9. Preparing project reports and working papers for the stakeholders

4. Research Associate (2022-2023): Worked as a Research Associate in the project titled: “Green Energy Finance and Gender Disparity: The Case of Mountain Areas in Bangladesh” funded by North South University, Bangladesh and Copenhagen Business School, Denmark.

Major Activities

1. Project team management
2. Designing and facilitating large scale household surveys
3. Designing and conducting econometric analysis
4. Preparing project reports and working papers for the stakeholders

5. Graduate Assistant (2020-2022): Working as a Graduate Assistant for the Accreditation Project Team (APT), School of Business and Economics (SBE), North South University.

Major Activities

1. Managing documentations and relevant desk reviews
2. Preparing different APT related technical reports
3. Assisting different APT related events and academic seminars

6. Research Assistant (2018-2020): Worked as a Research Assistant at South Asian Network on Economic Modeling (SANEM), Dhaka, Bangladesh.

Project Involvements and Major Activities

1. Construction of Technical Framework of the 8th Five Year Plan (FY 2021-2025) for Bangladesh funded by General Economics Division (GED), Ministry of Planning Commission of Bangladesh
2. Bangladesh Institutional Diagnostic Tools funded by Oxford Policy Management (OPM)
3. Study on Employment, Productivity and Sectoral Investment in Bangladesh funded by General Economics Division (GED), Ministry of Planning Commission of Bangladesh.
4. Recognition of Women’s Unaccounted Work and Its Inclusion in Gender Responsive Budgeting in Bangladesh: A Satellite Account Approach funded by Manusher Jonno Foundation (MJF)
5. Construction of Youth Budgeting Framework with Asia Foundation.
6. Prokash City Mapping for Sustainability and Decentralisation with British Council.
7. Household survey design and management
8. Academic report writing

7. Research Assistant (2017-2018): Worked as a Research Assistant in the project titled: ‘Socioeconomic Impacts of Seaside Tourism in Bangladesh’. Funded by North South University.

Major Activities

1. Preparing questionnaires.
2. Managing survey operations and preparing datasets.
3. Carrying out empirical analyses and preparation research reports.

8. Student Ambassador (2017): Worked as the Student Ambassador in South Asia IAEE NSU Energy Summit 2017, North South University

IT SKILLS

Microsoft Office: Word, Excel, and PowerPoint; LaTeX

LANGUAGE

Fluent in Bangla (Native Language) and English

ACADEMIC SOFTWARE SKILLS

Eviews (Advance), STATA (Advance), GAUSS (Intermediate), MATLAB (Intermediate), and GAMS (Intermediate)

ORGANISATION MEMBERSHIP

Bangladesh Association of Energy Economics (BDAEE)

Bangladesh Economic Association (BEA)

RESEARCH INTEREST

- Energy Economics
 - Tourism Economics
 - Green Finance & Green Transition
-

PUBLICATIONS

EDITED BOOK CHAPTERS

CONFERENCE/ SEMINAR/WORKSHOP PARTICIPATION

1. Attended the 4th East West Economics Research Conclave 2025 held on 25-26 April, 2025
2. Attended the BEA 22nd Biennial Conference 2024 held on 17-18 May, 2024.
3. Presented a paper titled "*Sources and Consequences of Oil Price Shocks towards the Household Decision in Bangladesh: Do Macroeconomic Variables Matter?*" at the BER International Economists' Conference 2024 held on May 9, 2024.
4. Attended the Conference titled "6th International Conference on Business and Economics" at Dhaka University.
5. Attended a Seminar titled "Global Smart Energy Federation: Webinar on "Artificial Intelligence and Robotics in Power Sector", held on November 3, 2022
6. Presented a paper titled "*Dizitization as a Covid-19 Recovery Strategy for Sustainable Tourism in Bangladesh*" at the 3rd International Conference on Business and Management (ICBM) held on December 4, 2021.
7. Presented a paper titled "*A Critical Analysis on Reviving the Tourism and Hospitality Industry in Bangladesh after Covid-19*" at the TOURMAN 2021 Conference on restarting tourism, travel and hospitality: The day after held on 21-23 May, 2021.
8. Presented a paper titled "*Does Export Orientation Influence Innovation? Empirical Evidence at the Firm Level*" at the 5th SANEM Annual Economists' Conference 2020 held on 16-17th February, 2019 at Brac Center Inn, Dhaka Bangladesh.

9. Participated in a seminar titled "BERC-NSU-BDAEE Energy Summit 2019: Sustainable Energy for a Better Future" held on 31 October 2019 at North South University, Dhaka, Bangladesh
10. Participated in a workshop titled "Writing, Presenting and Publishing Academic Papers" held on 5th September 2019 Organised by The World Bank and SANEM.
11. Participated in a five day CGE training workshop titled "Introduction to SAM and CGE Modeling" held on 21-25 July 2019 organised by International Food Policy Research Institute and SANEM.
12. Presented a paper titled "*How a Small Open Economy Responds after Adverse Productivity Shock in Electricity Sector: A CGE Approach*" in a five day CGE training workshop titled "Introduction to SAM and CGE Modeling" held on 21-25 July 2019 organised by International Food Policy Research Institute and SANEM.
13. Presented a paper titled "*Tourism and Energy Nexus in South Asia: An Empirical Analysis*" at the 2nd International Conference on Business and Management (ICBM) held on 2019 on 26th April, 2019 organised by Brac Business School at The Westin, Dhaka, Bangladesh
14. Presented a paper titled "*Impact of Fiscal Policy and Monetary Policy on Budget Deficit: An Empirical Investigation*" at the 4th SANEM Annual Economists' Conference 2019 on 17th February, 2019 at Brac Center Inn, Dhaka Bangladesh.
15. Attended an intensive two-day workshop on Impact Evaluation organised by South Asian Network on Economic Modeling (SANEM) on 9th -10th January, 2019.
16. Presented a paper titled "*Tourism and Bangladesh*" at plenary session of EconFest 4.0: Integration of Tourism in the Planning Opportunities of Employment and Economic Growth organised by Young Economist Forum held on 11th April 2018.
17. Presented a paper titled: '*A Study on The Implementation of Small Scale Electricity Generation through Social Innovation*' at the Conference on 'EQUITY WITH GROWTH' organised by Dhaka School of Economics and PKSf held on 9th January 2018.
18. Presented a paper titled: '*Impact of Urbanization on Energy Consumption Intensity in Bangladesh: An Empirical Analysis*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
19. Presented a paper titled: '*Relationship between Renewable Energy Consumption and Economic Growth in Five South Asian Countries: An Empirical Analysis*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
20. Presented a paper (With Foqoruddin Al Kabir) titled: '*Impact of Remittance on Enrollment and Health Care: The Case of Bangladesh*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
21. Presented a paper (With Priyanka Mallick Proma) titled '*Does Foreign Remittances Reduce Government Spending? Response from Bangladesh*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
22. Presented a paper (With Saiyara Karim and Zainah Edris) titled: '*Foreign Debt and Domestic Savings in Bangladesh: An Empirical Analysis*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
23. Presented a paper (With Shataj Mahmud) titled: '*Does Foreign Aid Reduce Energy and Carbon Intensities in Bangladesh? An Empirical Investigation*' at 15th Asian Business

Research Conference Organised by World Business Institute, held on 22-23rd December 2017.

24. Presented a paper (With Mayesha T Chowdhury) titled: '*Oil Price and the Renewable Energy Consumption in Bangladesh: An Empirical Analysis*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
 25. Presented a paper (With Lamia Lazmi Khandekar) titled: '*Renewable Energy Consumption and Foreign Direct Investment: Reports from Bangladesh*' at 15th Asian Business Research Conference Organised by World Business Institute, held on 22-23rd December 2017.
 26. Presented a paper titled: '*Economic Development: Energy and Ethical Issues in Bangladesh*' at 20th Biennial Conference on Economics and Ethics Organised by Bangladesh Economic Association (BEA), held on 21-23rd December 2017.
 27. Presented a paper titled: '*Modelling Energy Demand in Bangladesh: An Empirical Analysis*' at 2nd International Conference on Business and Economics, organised by Faculty of Business Studies, University of Dhaka, held on 30-31st October 2017.
 28. Participated in a Seminar titled: 'South Asia IAEE NSU Energy Summit 2017 held in North South University on October 17th 2017.
 29. Presented a paper titled: '*The Relationship Between Oil Consumption and Economic Growth in Bangladesh: An Empirical Analysis*' at 7th Global Business Research Conference organised by World Business Institute held on 28-29th April 2017.
 30. Presented a paper titled: '*Generation of Biofuels: Case of Bangladesh*' at 14th Asian Business Research Conference Organised by World Business Institute, held on 30-31st December 2016.
