PROFESSIONAL SUMMARY

Economics undergraduate (CGPA 3.77) with practical, hands-on experience across pricing, procurement, and logistics coordination. Background includes managing freight and courier rate structures, negotiating with carriers, and running end-to-end sourcing and distribution for a medical equipment supplier — buying wholesale from major distributors and delivering to buyers at competitive, high-volume pricing. Seeking to bring procurement, vendor negotiation, and logistics coordination skills to a supply chain role.

EDUCATION

Bachelor of Social Science (BSS) in Economics

Jul 2023 – Present (Expected 2026)

Department of Economics, Southeast University, Dhaka | CGPA: 3.77/4.00

Core Courses: Microeconomics, Macroeconomics, Econometrics, Research Methods, International Economics, Statistical Methods

Higher Secondary Certificate (HSC) – Humanities

2021

Dania College, Dhaka | GPA: 4.25/5.00

WORK EXPERIENCE

Research Intern | South Asian Network on Economic Modeling (SANEM), Dhaka

Sept 2026 – Present

- Collect, clean, and organize research data, supporting quantitative and qualitative economic research.
- Work with economic indicators and datasets on a research project for the Bangladesh Investment Development Authority (BIDA).

Assistant, Pricing & Operations | Door to Door Logistics and Courier, Dhaka

Jun 2026 - Sept 2026

- Develop and maintain rate structures for courier and freight services across the logistics operation.
- Negotiate rates and terms with carriers to secure cost-effective, reliable delivery capacity.
- Support day-to-day operational coordination to ensure accurate, timely pricing decisions across shipments.
- Manage client pricing queries and service-term discussions to maintain account relationships.

Operations, Pricing & Logistics Assistant | Green Shield BD (Medical Equipment), Dhaka

2020 – 2025

- Sourced and procured medical equipment at wholesale from suppliers including ACI, Square, GMI, and National Chemical Limited, analyzing the market to secure competitive rates.
- Priced and sold products at competitive, high-volume rates to grow the client base rather than maximize per-unit margin.
- Coordinated delivery to buyers end-to-end, managing quotations, order fulfillment, and client relationships to ensure satisfaction.

Data Enumerator | National Field Research Initiative, Ministry of Women and Children Affairs

Feb – Jul 2025

- Conducted a 22-day structured field survey across Rampura and Banasree as part of a national documentation initiative.
- Recognised as the most reliable and authentic data contributor among all enumerators.

Research Assistant | Dept. of Economics, Southeast University

2025

- Assisted faculty with data collection and quality control for academic research papers.

Sales Employee | SharpCode IT, Dhaka

Oct 2022 – Feb 2023

- Promoted and sold data-related technology products, developing customer communication skills in a fast-paced environment.

RESEARCH

Impact of Income Inequality on Unemployment — Independent Research, Ongoing
