EDUCATION

Southeast University | Bachelor of Social Science (Economics) | CGPA 3.96/4 *July 2023 - Present*

- Concentrations: Economics, Research Methodology, Statistics, Econometrics
- As a Teaching Assistant, evaluated and graded coursework for 80 students across 2 mathematical courses, maintaining consistent grading benchmarks and delivering feedback.

BAF Shaheen College Dhaka | HSC (Business Studies) | GPA 4.42/5 *June 2019 - December 2021*

- Concentrations: Business Studies, Finance, Business Management
- Maintained strong academic performance by consistently engaging with advanced coursework and applying concepts in class projects.

PUBLICATION

Too late to ignore: Why green growth matters now | The Business Standard *June 2026*

- Published an op-ed on national green energy transition strategies in The Business Standard, reaching a national audience of readers and policymakers.

PROFESSIONAL EXPERIENCE

SPC Publication Studio | Publication Designer *September 2026 - Present*

- Designed editorial layouts and cover spreads for institutional publications and sustainability reports, keeping typography and grid structures consistent across multi-page documents.
- Formatted complex data tables, infographics, and stakeholder disclosures to make dense technical reports clean and print-ready.

Young Economists of SEU | Vice President *February 2026 - Present*

- As Vice President, I managed a team of 30 during my tenure. Throughout the year, I organized 2 national policy case competitions at my university, each bringing together 200 participants from 7 universities nationwide.
- Streamlined executive operations for teams by composing and implementing the organisation's first official constitution to define role hierarchies and task delegation workflows.

SEU Language & Literature Club | IT Secretary *April 2024 - November 2025*

- Co-organised campus-wide "LIT FEST" for 120 attendees, managing event logistics and hosting guest panel discussions.
- Designed promotional materials for club events, increasing attendance by attracting a broader campus audience. Additionally, developed the club's visual identity across all digital platforms and print media.

World Scout - Air Region | Rover Mate *December 2020 - June 2022*

- Trained 80+ students in leadership, hiking, and basic first aid, improving session assessment scores by ~75% by designing hands-on drills and peer-led exercises.
- Enabled 60+ students to qualify for core scouting badges within one season by hosting two multi-day camps and standardising skill checklists and safety protocols.

CERTIFICATION

Google Analytics Certification | Skillshop *November 2025 - November 2026*

- Credential ID: 167894495

Graphic Design Essentials | Canva *April 2025*

- Credential ID: d8e070
